THE MOVIE

AXA

The fondly-remembered comic strip heroine of the 1970s and 80s comes to thrilling life in this epic Science Fiction / Fantasy Post-Apocalypse adventure from Unizarre International.

- AXA** fighting the terrible purpose for which she was created
- AXA** fighting the rigid totalitarian oppression of the White City
- AXA** fighting the desperate inhabitants of the blasted Wastelands
- AXA** fighting her fiery Passions - and the cold power of advanced Science

AXA is being developed as a full action-based feature featuring stunning CGI and set in a scientifically-realised world environment. Budget is anticipated to be \$50million +
